

Appendix F.10: Summary

As a final step, the losses from all the hazards were combined and the top ten State-owned assets with the highest total estimated losses were identified for the State as a whole (shown on Map F-172 and 6-13) and for each of the State agencies listed in the Facilities Management database (shown on Maps F-173 through F-188).

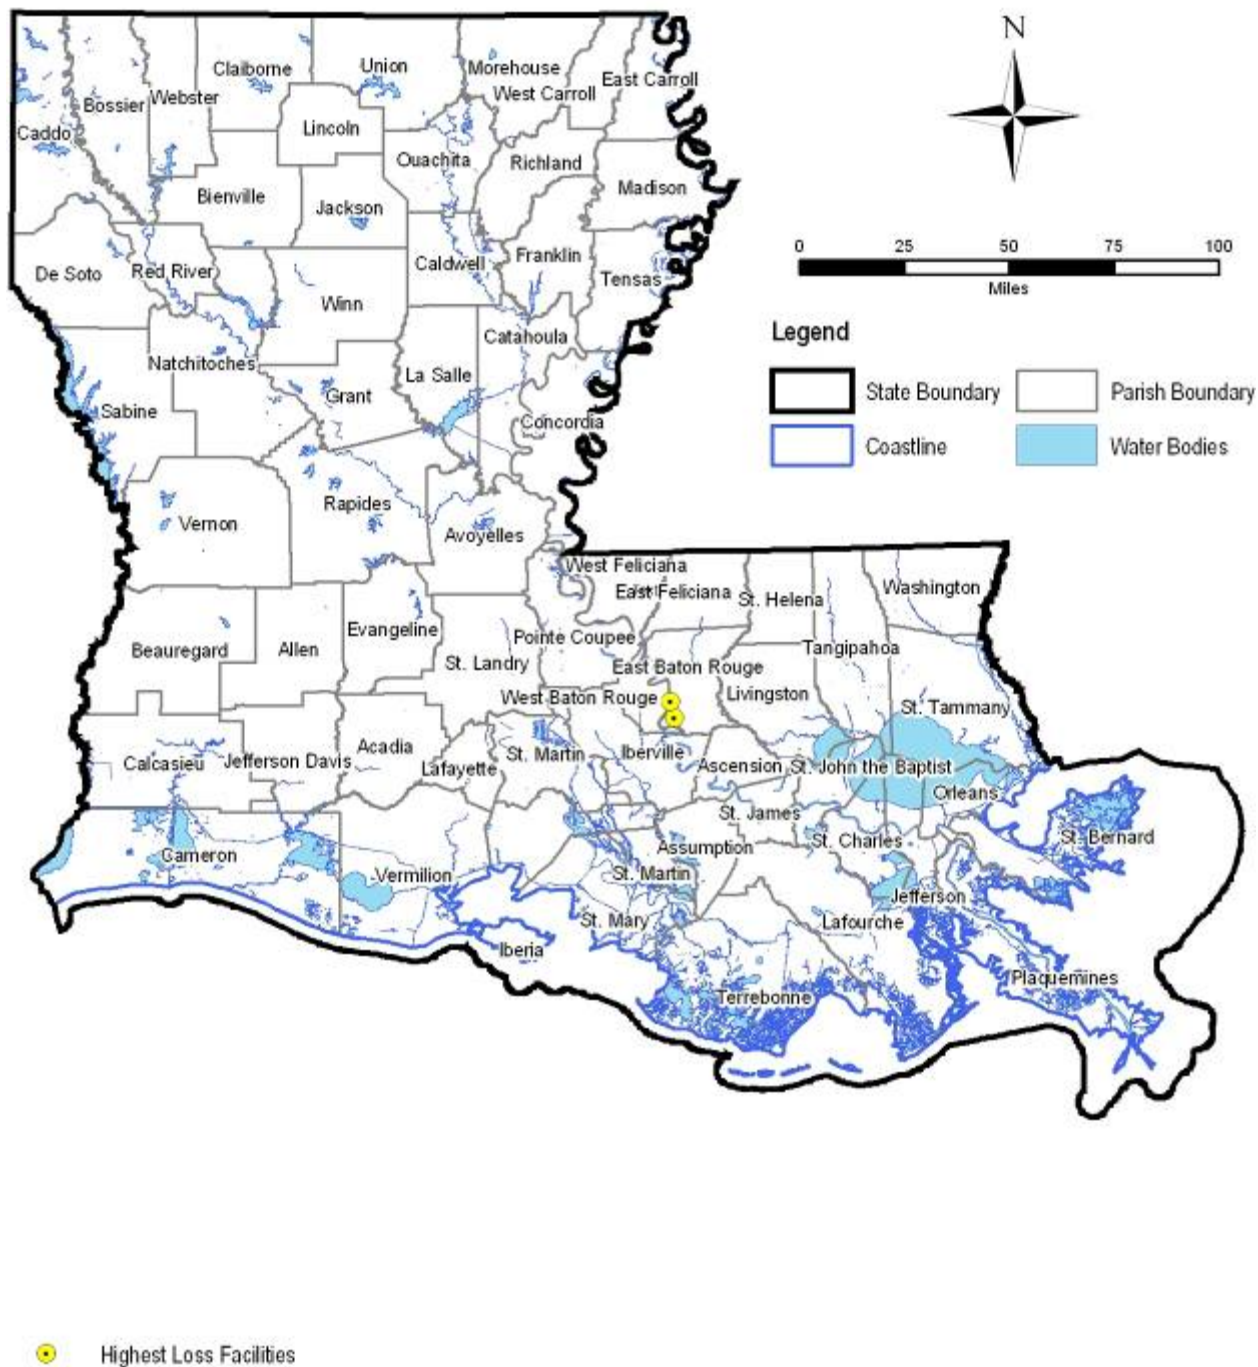

Section Six (in Subsection 6.13) also contains summary tabulations for:

- Combined Hazard Loss Estimates (Table 6-31);
- Critical Facilities with Highest Vulnerability Rankings per Hazard per State Agency (Table 6-32); and
- Top Ten Critical Facilities per Hazard per State Agency (Table 6-33).
